## Sponsors

The Institute of Municipal Assessors continually strives to achieve the highest quality of educational programs for its members and students. In order to grow and succeed with our high standards, we depend on the assistance of various members and organizations. Year after year the generosity of our supporters enables us to continue to provide these high standards - and this year is no exception. The IMA Office in conjunction with the Fundraising Committee would like to acknowledge and give a very heart felt thank you to the following supporters:
